FINANCIAL COMMITMENT

In order to ensure the lowest possible cost to each player and her parents, we must ensure that all players and parents understand the financial obligations they are undertaking and the impact on the team and Club. In preparing for the season, there are certain fixed costs involved that we must spread over all players. The fee established for the team represents the best possible projection by the Board of Directors. This does not include travel costs associated in attending the tournaments nor for additional tournaments beyond those included in the original budget.

No refunds will be issued after 1st practice. In the event of an injury or illness the Board and the Director will meet for the purpose of determining if and exception to the no refund policy is warranted.
